

The 2022 Knight Family Calendar

Our senior patriarch Jerry Knight, as a boy in his army cap and ready for action, is featured on the cover of this, the 31st annual edition of the Knight Family Calendar. Is that a fishing pole he's toting? Thanks to Jerry for sharing it, because it's a perfect showpiece for our theme this year of family members of all ages and generations donned in caps and hats.

Best Wishes for a happy and healthy 2022.

From JoBeth Raabe: This is a picture of the Kemp Cousins' Grandma Josie Coughlin, nee Knight, and the aunt of the Knight bunch, taken in the early 1900's. She was a looker! The question has always been, how does the hat stay on?

Here we are in our casquettes, surely the peak of the millinery arts. Pebble was having none of it though and would only deign to wear her "Hamberder King" crown.
